

Actualize Adopts Military Unit

Actualize joined with Freedom Alliance to adopt a military unit.

Date Released: 03/03/2010

In conjunction with Freedom Alliance Actualize Consulting adopted a military unit to send care packages to in 2010. The first shipment occurred on March 3, 2010. Actualize Consulting's employees were able to gather a variety of snack foods, magazines and other requested items such as razors and toiletries. Actualize was also able to have more personalized items as follows: pictures from various pre-school classes, craft from Daisy Scout Troop, letters from elementary class. Kerry Elam, Managing Director Human Resources and Operations said, "Actualize likes to find unique ways to give back to the community and this was the perfect opportunity to make a large impact on our adopted Unit."

About Actualize Consulting

Actualize Consulting is a professional services firm specializing in business process engineering and technology implementations for financial institutions. We focus on serving mortgage firms, banks, insurance companies and other financial institutions, as well as a variety of firms in the Fortune 1000. With offices in Boston, New York and Virginia our highly accredited and experienced consultants improve procedures and systems for our clients through their extensive expertise in capital markets, mortgage and fixed income operations and accounting and financial analysis. Specifically, we focus on the following service offerings:
