Date Released: 07/30/2010

Actualize Consulting, a professional services firm specializing in business process engineering and information technology for financial institutions, announces the promotion of Matt Seu to Principal. Matt's responsibilities will include leading the firm's Information Technology Practice, playing a leadership role in the Mortgage and Fixed Income Practice and ownership of account management for our DC office clients.

"Matt has played a key role of our successful growth and expansion of clients and service offerings over the past several years and we are excited in offering Matt a Principal role in our firm", said Chad Wekelo founder and Principal. "We are looking forward to Matt taking on additional management responsibilities and continuing to drive Actualize's future growth. Mr. Seu joined the firm in 2006 as a Managing Director in the Mortgage and Fixed Income Practice where he was instrumental in the firm's expansion in the mortgage finance area. Mr. Seu was previously with Freddie Mac as a Vice President where he focused on large scale business and technology change efforts including the redesign of the company's mortgage purchase program and oversight of the company's data program.

Mr. Seu received his B.S. and MBA from the College of William and Mary in Williamsburg, Virginia. He has been a member of Mortgage Bankers Association for two decades and sits on the Secondary & Capital Markets Committee.
